

A Very Special Visit

On Tuesday, May 20th, the students of St. Elizabeth Ann Seton received a visit from Bishop Joseph Pepe. Bishops work very hard and are usually very busy people so for Bishop Pepe to visit a school is a very special event. He got to see every child present and visit every classroom, including the Atrium. They sang him songs, showed videos, played a game show about his life, and even gave him presents. They also were full of questions which the Bishop had no problem answering. Everybody enjoyed his visit greatly and look forward to meeting him again.
